

ANIMAL HOTELS – BASQUE COUNTRY – In the “Best Business Plan” competition

Our company will be a hotel for animals and it is going to offer services that cannot be found in any other hotels

Nowadays when people go on holiday they worry about their pets. Their main worry is about the attention their pets is given: They always want to know that they are in good hands and well looked after, that is why this business might be a good option and it would be interesting to have a summer camp for pets

Each pet would have a personal file that would include all the information related to the pet: for example, the daily routine, treatments if necessary... The owners would be free to visit their pets whenever they wanted and this way they would be able to see the place where the pets are staying.

The owners would have access to the app to know where they can find a hotel for pets, by using the app the owners would also be able to see their pets with a web cam.
