

MOROLLINI: typical Apulian snack – ITALY – In the “Best Advertising” competition

The work presented in this post was made by the students of the 5th E class of the primary school of the “Istituto Comprensivo Renato Moro” of Taranto and was selected to participate in the “The Best Advertising” contest.

The work is the synthesis of the packaging design path of a typical Apulian snack that has all the characteristics to be a biological and sustainable product in its production chain.
