

The winners of the competition “The best advertising and the best business plan”

The winners of the [competition “The best advertising and the best business plan”](#) launched within the Erasmus + project “G.R.E.E.N. in Europe ” – S.Y. 2017/2018.

The I.C. “RENATO MORO” as Coordinator School of the project, has launched a competition called “The Best Advertising” and “The Best Business Plan” aimed to award the “best advertising” and the “best business plan” made by the European partner schools of the project. The competition was open to all students aged 6-14 enrolled in one of the four partner schools involved in the above project.

The projects required were:

“Advertising campaign”

6-10 years old students

“Business Plan”

11-19 years old students

ADVERTISING CAMPAIGN

It had to be creative and put in evidence:

a typical product of their own country or one of the partners' country;

A “best practice” concerning “eco-sustainability” to “import” or to “export” in one of the project partner country.

The winner of this category was the work of the third class section A of the I.C. "RENATO MORO" of Taranto – ITALY – entitled:

"Enhance our Area... and ADVERTISING".

The award ceremony of the competition took place on May, 17 2017 during the closing conference of the Erasmus + “G.R.E.E.N. in Europe ” which took place in Taranto (Italy) at the” Istituto Comprensivo Renato Moro”.

The works submitted were all very interesting and were the result of a very hard work carried out by students and teachers from all the partner countries. These products enabled the teachers’ team to measure the educational value of this project

We thank once again all those who have committed themselves to this ambitious and innovative project.

GREAT WORK GUYS!

Thanks to the Winner of “A Common Logo Contest”- The Erasmus+ G.R.E.E.N in Europe project has its official logo

Finally we know the winner’s name of “A Common Logo Contest”.

We thank all participants for bringing in their creativeness and for designing several interesting logos. But only one of them could be voted as the most representative logo of **The Erasmus+ G.R.E.E.N in Europe project**.

All 6-14 aged students of all partner schools (Italian, Bulgarian, Basque and Welsh) could take part to the contest. They had to design a logo representing all countries involved in the project and the green and eco-friendly development idea for the environmental safeguard of all countries.

The logo had to show, at least, a symbol representing the countries involved and to make reference to the Erasmus+ project. It had to be creative and colorful and focus on the positive aspects of each country. Furthermore, the participants could refer to the following tags to get inspired: green, Europe, environment, nature, research, action, eco-friendly development.

Here is the winning logo following the vote on the **project official Facebook page**:
